*All prices are suggested retail price. Actual selling price is determined by each FEIN Authorized Distributor at time of sale. All prices and specifications are subject to change without notice.

THE STORY OF FEIN IS A STORY OF ORIGINALITY.

FEIN invented the oscillating multitool in 1967 and has been perfecting its design, functionality, and performance ever since. Backed by **150 years** of innovation and German-engineering, our MULTIMASTER provides three levels of performance classes so you get the power you need and the quality that FEIN is known for.
